A Note From The President

Hello Members:

The DTA and its members appreciate how fortunate we are to live in beautiful Ocean City, Maryland and even more so, to have such a vibrant downtown. The DTA is the voice of downtown supporting and representing its independent residents and businesses by promoting downtown Ocean City as the destination of Maryland.

We remain involved in efforts to ensure that downtown Ocean City remains a great place to live, work and play with programs addressing the concerns of safety of our streets, parking and other issues affecting downtown.

Our organization cannot exist without your help and involvement, which is crucial to our success. Our membership includes individuals, non-profits, retail and professional businesses of many sizes. Please join us, volunteer for an event and get involved in helping make our community even better.

Thank you for your support and appreciation of downtown Ocean City, a special place.

If you would like to volunteer to work the Cottage please call the Downtown Association office at 410-289-1413.

 maps. The new second Historic and Architectural Walking Tour Upper
